STATISTICAL TABLES

OF THE CONGREGATIONS OF THE

Evangelical and Reformed Church

FOR THE YEAR ENDING

DECEMBER 31, 1941

- * Congregations thus designated are affiliated, and not members of the Evangelical and Reformed Church.
- # Eighty-five Congregations thus designated failed to report for 1941. The figures used are of a former year.

The name of the pastor given is that of the pastor on May 15, 1942, and is not always that of the person who made out the statistical report. In some instances, during a vacancy, a layman or some other person returned the statistics. Changes in pastorates known as late as May 15, 1942, have been included.

The determination of the present communicant membership was made by the Administrative Committee in principle, and sometimes in individual cases.

William E. Lampe, Secretary.
